Moses: From Birth to Midian

The story of Moses is one of the most important stories in the Bible. We are going to spend several months learning about Moses and his many adventures. Moses lived a long time before Jesus did, during the time of the Pharaohs in Egypt. The Hebrew people were slaves to the Egyptians and their lives were bitter and hard. But God had not forgotten them. God saw their hardships and felt their pain. God is with us. He will never leave us. We will see how God used Moses to help save his people.

Objectives: By the end of the rotations, students will

- Recognize that God is with us always, in good times and bad.
- Know that God helps us with problems.
- Learn to call on God to help them do the right thing even when it is hard.
- Realize that God is dependable and keeps his promises.
- See that God uses all kinds of people to do his work in the world.
- Understand that through God all things are possible!

Memory Verse

*“The Lord will not abandon his people;
He will not desert those who belong to Him.”*
